

Highway 16 Community Vehicle Grant Program Engagement Sessions October 3- 7, 2016

Please join us for interactive and informative sessions about the Highway 16 Community Vehicle Grant Program! The sessions are open for all community members along the Highway 16 corridor to attend and ask any questions they have about the program.

Note: Additional sessions can be requested, if groups or individuals would prefer to schedule at a later time. Instructions for travel reimbursement will be provided at the sessions. All 9 sessions are open to any individuals that reside along the Highway 16 Corridor.

Who: Individuals from First Nations, local governments, community organizations or non-profit societies in eligible communities along the Highway 16 corridor intending to apply for funding to create community transportation solutions are invited to participate.

What: Sessions that will assist you in developing an application for Community Vehicle funding. The Ministry of Transportation and Infrastructure will host morning and afternoon sessions along the corridor to talk about the Community Vehicle Grant Program and instructions on how to complete an application. **Deadline for applications is October 28, 2016.**

Why: The sessions will provide attendees with an opportunity to learn more about the program, as well as ask any questions. The Community Vehicle Grant Program can assist communities with:

- Improving access to community-based transportation
- Improving safety along corridor
- Funding for the purchase and/ or operation of community vehicles
- Flexibility to identify and meet local needs
