

BC & Canada abruptly cancel talks with the Wet'suwet'en Hereditary Chiefs

(WET'SUWET'EN TERRITORY - SMITHERS, BC) February 26, 2020.

The Hereditary Chiefs graciously invited Federal and Provincial governments to enter into talks and they abruptly declined. Our willingness and invitation remain open to BC and Canada.

We thank our supporters for their tireless dedication and respectfully ask for their continued support.

In accordance to our Inuk Nu'at'en (our laws), the Wet'suwet'en cannot speak on other nation's behalf.
