

Now Available: Yintah Activities Update Package 2021

Are you curious about the activities occurring on the
Wet'suwet'en Yintah?
Would you like to know more?

The Office of the Wet'suwet'en Natural Resource Department has prepared Activity Update Packages for each Clan. This package outlines all activities that have occurred on the Yintah throughout 2021.

In the new year we will be engaging with each Clan so we can gain a better understanding of where priorities lie for each Clan, we can then help facilitate conversations with industry and proponents so you can begin making your own decisions on the Yintah.

This step will lead you closer to Wet'suwet'en Self Governance as Satsan discussed in his recent webinar "5 Pillars to Self Governance".

If you would like to be a part of this conversation, learn more and/or receive your package email Leanne Helkenberg at referralscoor@wetsuweten.com.
