RE: DOOR PRIZE DONATION REQUEST

Office of the Wet'suwet'en will be hosting an Energy Summit event June 5th and 6th 2009. This Summit will provide a venue for information to all potentially affected communities along the proposed pipeline route of Enbridge Northern Gateway Pipeline Project.

Discussions on the risks, processes and implications of the Enbridge Northern Gateway Pipeline project will be the focal point and will be addressed by way of keynote speakers, informed panel members, concluding with a dialogue period.

The Enbridge Northern Gateway Project poses detrimental risks; we want to ensure all communities are made aware of these potential impacts WHILE ALSO exploring alternatives in moving ahead to protecting northern ecosystems and building sustainable energy solutions.

Participation in this forum is expected to reach approximately 350 +, with delegates attending from Alberta through to Haida Gwaii.

The Summit Steering Committee respectfully requests a donation of any kind to provide as door prizes to the participants of this forum. If you would be so kind as to accept this donation request and assist us in a successful event by donating a prize, it would be greatly appreciated.

Thank you in advance for your generosity. If you have any questions, please contact Roxanne Wesley @ 250-847-3630 ext. 245. Donations can also be dropped off at Office of the Wet'suwet'en located at 3873 1st Avenue, Smithers.

Respectfully,

Roxanne Wesley
