The Board of Directors of the Wet'suwet'en Treaty Office/Office of the Wet'suwet'en has come to a consensus for the immediate shut down of the Office of the Wet'suwet'en public facilities until COVID-19 health threat passes commencing Friday, March 20, 2020.

Staff will continue to work on a modified work at home schedule; we are seeking innovative ways to maintain communications with our members.

We will continue to monitor COVID-19 and assess the closure in 2 weeks.

We have cancelled all community and clan meetings during this period.

The Board asks all staff and Wet'suwet'en members to be diligent with your health and wellness during this difficult time, we encourage all to incorporate practices to slow the spread of this disease. In addition, they encourage everyone to practice social distancing but make efforts to check in with family, loved ones and elders.
